Dear Minister:

Re: Jamaican Canadian Association Community Centre

I am happy to report that renovation is now underway and our brand new centre will be officially opened on August 7th. That date is also our Association's 37th Anniversary.

We have invited the Prime Minister to attend and to participate in the opening ceremonies. We would very much like to have you as Minister With Responsibilities for the GTA to attend. Also, any assistance you can give to get the Prime Minister to attend would be greatly appreciated.

As with previous correspondence we are again asking for your support for a capital grant for our renovation project.

We anticipate a positive response and look forward to seeing you at our opening ceremonies on August 7th.

Yours truly,

Jamaican Canadian Centre

Herman Stewart
President
